

# LONDON'S WEST END

North London Street League 2011/12

## Thursday 24 November 2011

### Event Location

- **Registration:** At the [Duke of York](#) pub, 8 Dering Street, London, W1S 1AA. We have the first floor function room reserved.
- **Grid Reference:** TQ287811
- **Public Transport:** Exactly halfway between Bond Street and Oxford Street underground stations on the South side of Oxford Street – just 300 yards (4 minutes walk) from each station.
- **Registration & Start Times:** 1830 – 1930
- **Courses Close:** 20:45

### Courses

- A one hour score course, with a 20 points penalty per minute or part minute late.
- The control points are easily visible objects.
- Controls will be worth 10, 20, 30 or 40 points.

### Map & Terrain

- 1:10,000, black and white, with only streets and paths marked.
- Note that some streets will be slow going due to the number of shoppers. **Please slow down where necessary and give way to members of the public.**
- The map and clue sheet will be on separate pieces of waterproof A4 paper.

### Equipment

- You will need a watch and a pencil/biro.
- You are advised to bring a torch and compass.
- The traffic is generally not heavy or fast, but please **wear light-coloured clothing** for extra visibility and a **reflective vest**.

### Entries

- LOK/CHIG/HH senior members £1, other senior members £2.
- Juniors are not allowed to run street events unless accompanied by an adult.

### Reserve Your Map

- Please email the [organiser](#) to reserve your map and also mention if you are likely to eat in the pub afterwards.

## **Après Run**

- We are very grateful to the Duke of York management for allowing us to use their premises as an event centre. Note that the last orders for food will be 20:45.

## **Results**

- Results will be available after the event at [www.londonorienteeing.co.uk](http://www.londonorienteeing.co.uk)

## **Officials**

- **Planner/Organiser:** David Rosen LOK 07870 653321 [dandmrosen@btopenworld.com](mailto:dandmrosen@btopenworld.com)

## **Further Information**

- See the [North London Street-O 2011/12 page](#) and the page explaining how [Street-O works](#).
