12			9
13			8

Notes on Adjustment Method

**Ranking List:** adjustment factor derived from ranking points as per British Orienteering Federation list as at 11 June 2015. See website <http://tinyurl.com/GLOSSadjust> for subset of this list relating to BOF members who a) have sufficient points and b) are members of clubs eligible for GLOSS trophy.

**Unranked:** BOF member who is on the BOF list but has insufficient points. See <http://tinyurl.com/GLOSSguidelines> page 2, footnote 1. Adjustment factor determined on notional basis. See Notional below.

**Notional:** all other competitors who are not ranked as at 11 June 2015. Adjustment factor determined on a notional basis based on competitor's age, sex and level of orienteering competence (V for very good, A for average and B for beginner) given age and sex. See Handicapping of individual raw times on GLOSS course on page 2 for explanation and Annex A for adjustment factors within <http://tinyurl.com/GLOSSguidelines>
