The Course

A 60-minute score course, with control sites worth between 10 and 50 points. Collect as many points as possible in whichever order you like within 60 minutes. Controls starting with 1 are worth 10 points; those starting with 2 are worth 20 points etc. The penalty is 1 point for every 2 seconds late back (so you'll lose 30 points if you are a minute late).

Hi-viz or light-coloured clothing for extra visibility is strongly advised.

We are using electronic timing, so bring your own dibber if you have one.

You can leave your bags in the pub (items left at your own risk).
